

Our Parents:

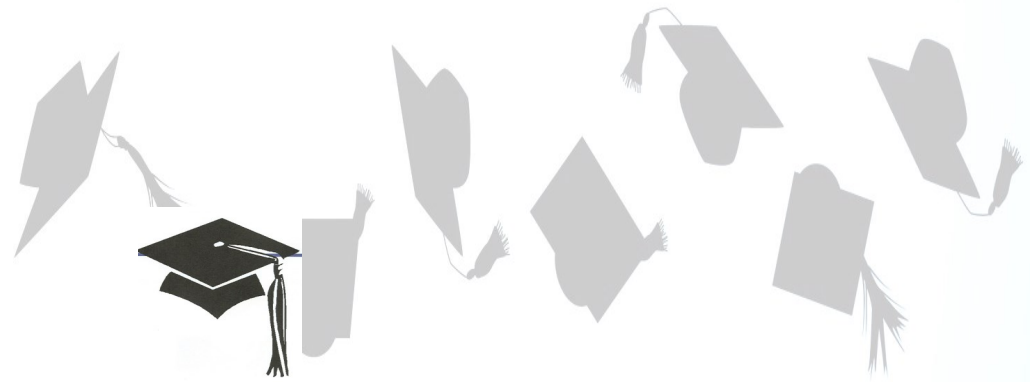

Today is just as important to you, as it is for our graduates. Without your support, encouragement and devotion our graduates would not be here today. We the community of Times² and our graduates thank you for your love and support throughout the years. Your hard work and dedication shows through our graduates.

Teachers and Staff:

You have given the graduating class more than they could ask for. Through your rigor, knowledge, friendship and empathy our graduates are ready for the challenges ahead. As they cross the stage, know that they bring the knowledge obtained from you with them.

Our Graduates:

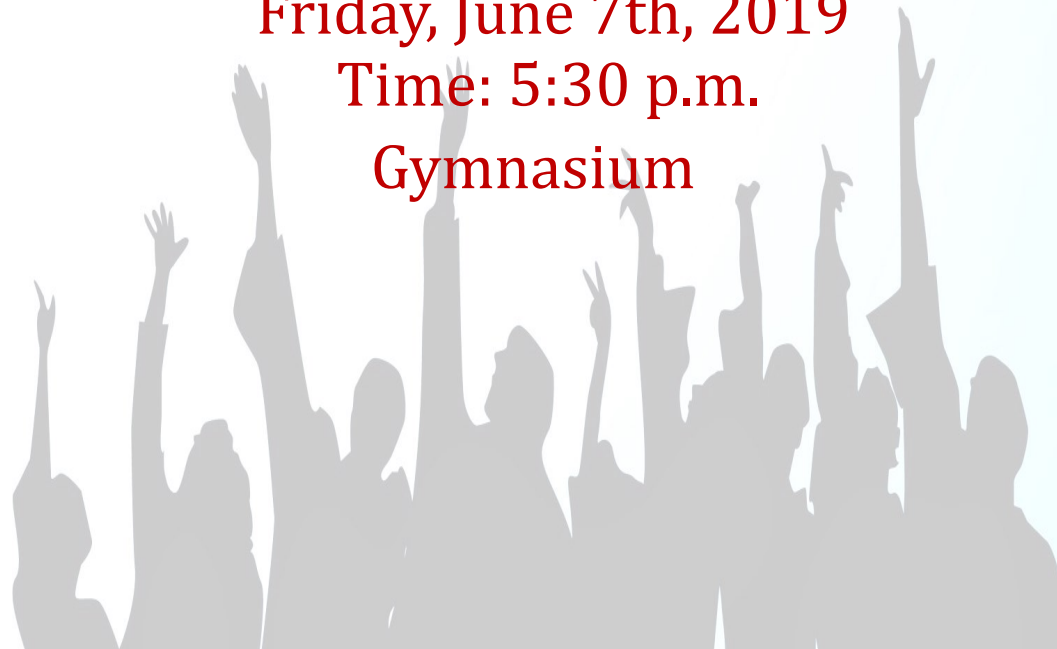

"Let *all* that I am capable of, be fulfilled through my efforts of learning and study. So the crowning glory of my graduation, will not just be achievable – but realized too." ~ *Eleesha*
